Local Area Map

The riverboats, largest and finest on the Tahquamenon, embark from the more remote upper part of the river where there is a greater opportunity for seeing wildlife. Throughout the boat, you will enjoy the Captain's commentary on River History, points of interest and wildlife heard over our excellent public address system. On board, tasty sandwiches and other refreshments are served at popular prices.

Capt. Joe Beach
1886-1947
Pioneer & originator of
Tahquamenon Falls trips

The wonderful experiences of being a game warden and guide on the Tahquamenon River led Capt. Joe Beach to originate the Toonerville Trolley and river trip in 1927. Today Hugh Stewart and family welcome you, offering the skill and lore of a lifetime in the Tahquamenon area.

We have the largest boats, with COMFORTABLE SEATING, and SPACIOUS DECKS for the BEST in SIGHTSEEING.
